## BAKER JOINS FORCES BACK OF 2-3 RULE

Possible Nominee Protests Proposed Abandonment of Established Tradition

### COX TAKES SAME STAND

Roosevelt Cause Gets Set-back from Dark Horse Entries

CHICAGO June 25.—Two of Ohio's four dark horse candidates for the Democratic presidential nomination—James M. Cox and Newton D. Baker—today joined the vast majority of the century-old two-thirds majority rule for the party's selection of presidential nominees.

Although the two Ohioans remained a thirly homes Baker in Cleveland and the former at Dayton both issued statements against doing away with the off protested rule.

Ohio's other candidates for the nomination—Governor George White to whom the Ohio delegation is pledged and Senator Robert H. Taft—remained in the back ground for the time being at least declining to take a hand in the fight.

Baker favorably regarded by many as a compromise candidate said sensitive men would find it difficult to defend a candidate who started out with a flaw in his title.

**Baker Backs Old 2-3 Rule Decisively**

By The Associated Press

CLEVELAND June 25.—Newton D. Baker often mentioned as a possible Democratic presidential nominee today joined the ranks of those fighting to retain the party's rule requiring a two-thirds vote for the nomination.

Even member of the Democratic party who knows its traditions and is proud of its history has a duty to protect against the proposed abandonment of the two-thirds rule at Chicago, the former secretary of war said in a statement.

Our representatives at Chicago have no right to change that rule after we have instructed our delegates.

Baker asserted a nomination procured from a majority riding rough shod over the established traditions of the party would be deeply embarrassing both to the party and the candidate.

Sensitive men would find it difficult to defend a candidate who started out with a moral flaw in his title.

The two-thirds rule he continued has made and kept the Democratic party strong. It has prevented forces of sectional candidates against the will of respectable and noble and if the rule is ever changed it ought not to be a concession.

## ORDERS SPEEDING OF TRIAL FOR DAMAGES

Judge Says Testimony Too Slow in Suit Against Aimee's Husband

By The Associated Press

LOS ANGELES Calif. June 25.—The fearful description of the love scenes in the alleged broken romance of David Hutton singer and Myrtle Joan St. Pierre nurse is taking too much time Judge Leroy Roth believes.

This trial is costing the county a lot of money and it ought to be expedited, said the trial judge after the pretty, blonde nurse completed her third day of cross-examination in her \$200,000 suit for alleged breach of promise against her husband of Almoa Temple McPherson evangelist.

A failing spell sobbing and heated denials punctuated her story yesterday in tears she admitted association with other men after prolonged cross-examination by Hutton's attorney.

Her last meeting with Hutton described his marriage was sobbingly described. He came she said only to retrieve a copy of a book which he had loaned her and didn't even kiss her hand.

Much questioning also was devoted to My Love for You a song which Miss St. Pierre said the baritone sang for her and later crooned over the radio to the evangelist.

Miss St. Pierre will again take the stand when court reopens Monday.

## RELIEF BILL IS DEFENDED

Wagner, Author of Senate Measure, Attacks Stand Taken by Hoover.

By The Associated Press

WASHINGTON June 25.—Defending his \$2,000,000,000 relief bill against an attack by President Hoover Senator Wagner Democrat of New York told the senate today the chief executive through out the depression has been wrong late and futile.

In a vigorous language, the New Yorker contended the measure which Mr. Hoover said contained pork barrel and wasteful expenditures would do much to aid the unemployment situation and bring back prosperity.

Meanwhile senate and house conferees met to eliminate differences of opinion between the Wagner bill and the Garner measure for a similar amount passed by the house. The conference broke up however without any tangible results.

**Mainly Enters Pass**  
Earlier Representative Rainey the Democratic leader told news papermen that Mr. Hoover's criticism made yesterday at his semi-weekly press conference showed he stands for dots and that is all.

Wagner said President Hoover was wrong when he announced on March 7 1932 that within 60 days the depression would be over. He was wrong more recently when he declared that the Reconstruction Finance Corp. would contribute to the resumption of employment and that no more direct methods were necessary.

In view of this record I declare that the public will do well to rely on the good judgment and sincerity of purpose of those who have been right.

Speaker Garner at his daily conference with newspaper men said: We loan the shipping interests many millions of dollars at a very low rate of interest and its all right when we try to do something for all the people it is a pork barrel. To serve special interests is statecraft to serve the people is pork.

**Expect Long Struggle**  
Indications pointed to a long struggle over the two bills. The house group obviously intended to stick out for everything it could get of the original Garner plan including a \$2,000,000,000 public works program financed by a bond issue. Equally the senators were keen.

**Firmly in Control**  
Franklin D. Roosevelt in the national committee last night tonight sent a delegation headed by the representative "Kingpin" Huey Long over the protest of two other groups believed opposed to the New York governor's nomination.

In addition they gave official Democratic status to pro-Roosevelt delegates from Minnesota and Puerto Rico, over-ruling hostile groups claiming a place in the convention.

A all present a friendly fight to be waged Monday before the convention committee committee and going to the state of the Louisiana delegation, on the floor of the convention hall.

The battle produced plans for the convention hall, on the floor of the convention hall.

## DRY ISSUE UP FOR ARGUMENT

Public Debate Set for Today Before Democratic Committee

LABOR CHIEF GETS HEARING

Green Discusses Economic Issue Before Prohibition Discussion Begins.

By The Associated Press

CHICAGO June 25.—The all absorbing prohibition issue came up for public debate today before a Democratic resolutions committee already agreed on the general form of a repeal submission plank. Even as the rival leaders of the organized wet and dry prepared for an hour and a half of argument late in the day the Roosevelt controlled subcommittee appointed to draft the platform was at work behind closed doors.

**Labor Leader Heard**  
The platform makers have organized labor an attentive and inquisitive hearing.

Not until with hearing from faced William Green president of the American Federation of Labor present demands for the working man members of the resolutions committee questioned him closely.

Green proposed federal loans to cities and states and federal appropriations for relief.

Mayor Walker of New York who took his place on the committee last night, asked if the federal government gave aid to municipalities for public construction would that be just as well as a federal building program.

William G. Macdonald former secretary of the treasury asked Green if it had taken any position on proposed payment in full of veterans bonus certificates.

Green said this had not been done by labor which took the position the issue was up to the American Legion.

I just want to know, replied Macdonald who is a member of the special subcommittee to draft the platform.

**Favors Dry Law Change**  
Green also urged modification of the Volstead act to permit 275 per cent increase in the hearing on prohibition. Members of wet and dry organizations were waiting to present their case to the Roosevelt nominated group.

A Mitchell Palmer asked Green at one point if organized labor favored unemployment or insurance.

We haven't taken a position on that, Green replied because we felt men would be put back to work.

## SIMPSON SETS NEW RECORD

Ohio Sprinter Lower Olympic Mark for 200 Meters

By The Associated Press

CINCINNATI O June 25.—George Simpson former Ohio State University flash shattered the Olympic record for 200 meters here today in the Allegheny district tryouts by timing the distance in 21.2 seconds.

A second in the present track Simpson was killed, killed George Simpson of the Allegheny Mountain association in the final and hopefully outdistanced him that breaking the tape a good three yards in front.

The present Olympic mark of 21.6 seconds was held jointly by A. John and J. V. Nichols of the United States and Helmut Kornig of Germany.

In this mark qualified Simpson in the 200-meter event for the national finals at Chicago next week. Yesterday he qualified in the 100-meter event.

## COALITION IS TAKING FORM

Party Stalwarts Sign Pledge Against Backing Any but 2-3 Majority Nominee

BITTER STRUGGLE IS SEEN

Roosevelt Forces Continue Fight for Abrogation of Old Convention Rule.

By The Associated Press

CHICAGO June 25.—The long awaited coalition threat to bolt Franklin D. Roosevelt if he is nominated without the customary two-thirds majority took organized form among the Democrats today as several more party stalwarts including Newton D. Baker and James M. Cox lined up against a two-thirds rule abrogation now.

A trust in the pledge the stalwarts not to support any candidate who does not receive two-thirds of next week's convention vote was drawn up by anti-Roosevelt men as the leaders for the New York governor began another breathless check-up of the forces they will throw into the fight for abrogation. They claim a simple majority both for their candidate and for abolishing the rule but their figures are limited.

In Cleveland Baker must talk of as the compromise nominee for President if the Roosevelt candidate goes on the rocks and that nomination produced from a mid-city riding tough shot over the established tradition of the party would be deeply embarrassing both to the party and the candidate.

As the compromise nominee for President if the Roosevelt candidate goes on the rocks and that nomination produced from a mid-city riding tough shot over the established tradition of the party would be deeply embarrassing both to the party and the candidate.

Almost at the same time Senator Walsh of Montana, who not only is a Roosevelt supporter but Roosevelt's choice for permanent chairman of the convention, arrived in Chicago with the announcement that while he opposed the two-thirds requirement as a matter of principle he was not sure this was the time to make a change.

**Farley Head Victory**  
In the face of the hurrying developments James A. Farley, Roosevelt's pick, set swinging his leg over the corner of an ornate metal table and said:

The vote on both the permanent chairman and abrogation of the two-thirds rule will be substantially the Roosevelt pledge and instructed support I expect 800 on both.

Although it gave pre-convention Saturday a whirlwind start. For the moment the fight over the two-thirds rule had become the big question of the convention and opening to a large degree all of the hopes of the opposing factions at war over the Roosevelt bid for party leadership.

**Attention Tense**  
A situation tense with under today provoked a furious drive for delegates by opposing leaders in Roosevelt's momentous battle for the nomination.

With accredited delegates arriving hourly, rival delegations were

FOREIGN STARS SET PACE FOR AMERICAN IN NATIONAL OPEN

Brifton, Argentinian Lead Field as U. S. Golfers Run Into Difficulty.

By The Associated Press

FRESH MEADOW COUNTRY CLUB FLUSHING, L. I. June 25—Uncle Sam's all-conquering golf was accented today by the nations of their most prized golf trophies were threatened with a large dose of their own medicine today as a field of 72 entered the stretch drive in the National Open championship.

With 36 holes to go two great things were at stake—a U. S. Open and an Argentinian lead in the race for the title.

Brifton, Argentinian, led the field at 10:30 a. m. with a stroke ahead of his closest pursuer.

T. Phillip Perkins, former British amateur star and recent addition to the professional ranks, and Jose Jurado, champion of Argentina, each had a score of 145.

Both, however, owed a lot of thanks to the weather, which was delaying the opening round of the tournament by blowing itself to an expansive 77 in the second time around. Brifton slipped into second place with 148 a stroke ahead of Leo Diegel and two in front of Walter Hagen.

Gene Sarazen, Craig Wood and Harry Cooper comprised the next group of 150. The defending champion, Philo Burk, and George Von Elm, the man who fought him through a 12-hole playoff for the 1937 title, were tied at 152 along with the veteran Bobby Cruikshank.

# WALKER BEATEN BY AGING JOHNNY RISK

Cleveland Baker Boy Bangs Way to Decision Before 15,000 Fans.

By The Associated Press

CLEVELAND, June 25—Like a shot from the past, Johnny Risko, trial horse of the heavyweights, stepped forth today to haunt the championship of the new title holder Jack Sharkey.

Risko, 34, the front tank of heavyweights last night by administering a sound beating to Mickey Walker in 12 rounds before 15,000 persons.

It was a fast and furious battle all the way, with Risko taking all seven rounds and winning the unanimous verdict of Referee Freddy Block and two judges.

After a seven months lay off, Risko appeared to be in the best of condition. Aided by a second night advantage, he pulled into the fray, his opponent, who had been out of the ropes and had both of his eyes bleeding at the whirlwind finish.

Walker fought gamely and cleverly and in several rounds gave better than he received. With the two of them trading blows like a pair of lightning bolts, Walker landed punches all over Risko, but was unable to stop Risko's ever advancing attack.

Risko weighed 300 1/2 against Walker's 275 1/2.

Red Birds Idle, but Minneapolis Loses, Putting Ohioans Ahead.

By The Associated Press

CHICAGO, June 25—Columbus was back in first place in the wild American Association leadership scramble, boosted to the top by a hard game without even playing.

While the Red Birds were idle yesterday through a shift in the schedule, Milwaukee helped them back into the lead by trouncing Minneapolis 19 to 6 in the opening game of their series.

The Indianapolis Indians whooped it up before the home town folk and banger, three Toledo pitchers ground to scalp the Mud Hen's 8 to 4 in a night game.

They were at their wildest in the fourth when they singled Moore and Marvin out of the Toledo dugout, staged a double steal and also gathered up four runs before Van Gilder could stop them.

# MASONIC NINE BOWS TO LEAGUE LEADERS

Kappas Hold Second by Beating Prospect; Erie Traffic Down Grocers; Presbyterians Top.

By Bob Kirkpatrick

The K of P softball team may or may not win the Commercial league title this season but regardless of that the team has already accomplished something that no other team in the four city leagues have accomplished. That is having gone through the first round of competition without a defeat. For K of P has two opponents it has yet to be played in the first round but the round is officially over the team has racked up five consecutive victories.

The latest victory came yesterday when the Masonic lodge fell by the wayside 10 to 1 in a hard fought battle. Mike Brannan, key pitcher, provided the single run scored in the game by driving one of Black Lins a slant over the left fielder's head for a home run.

Kappas on the field.

The Kappas yesterday kept their selves in second place by attacking the Prospect Firemen for a 4-2 victory. The Erie Traffic club held

The game fairly sparkled with brilliant fielding plays of both teams turning in dazzling stops of smashes which appeared sure hits the score was developed at 4-0 when Mike Brannan stepped up and clubbed out his homer in the third. The winners threatened seriously

# Win or Lose—Paul Waner Always Stars for Pirates

Baseball fans of Marion are quite impressed over the fact that Pittsburgh a major league ball club is slated to pay a visit to the town park here next Tuesday at 3 p. m. It has been several years since a big league outfit has tipped up the end at the North side park and apparently fans intend to take advantage of the opportunity of seeing big time players perform.

The Buccaneers will bring a lot of class, ball players to Marion. The team being the famous Pollock twins, Lloyd and Paul Waner. Paul is the elder of the two brothers and one of the best outfielders in the business.

Waner is playing his seventh season in a plate uniform and an analysis of his records reveals just how valuable a performer the elder of the Pollocks is.

In a batting way in the big full season, 1928 to 1931 inclusive, he played 897 games for the Pirates. He has averaged 149 games per season. He has averaged 206 hits each year for an average of 207 total bases and has scored at the rate of 115 runs per season. His six year average in extra base hits is 50 doubles, 15 triples and nine home runs. He is different at the rate of 10 sacks per

season but that of course does not mean anything as the lively ball has been in vogue ever since Paul came in except last season when last season came back into fashion. In the all major league batting average is the grand figure of .325.

Paul Waner's fielding record is not just an outstanding one. He has averaged 981 putouts a season but this figure is inflated over the usual outfielders record due to the fact that he played some 50 or more games at first base which has enhanced his record in putouts. He has averaged 20 assists from the outfield and has erred an average of only 10 times per campaign thus building up an all major fielding average of .972.

Another respect in which the elder of Waner has stood out is in the slugging percentage and slugging averages are the official figures that reveal just how valuable a player is to his team in the matter of scoring and knocking in runs. Waner has an average of .115 runs scored himself and 90 runs batted in over the six year period or an average of 45 runs per season. He was last year hit for 116 times per season and has earned the grand slug king average of .543.

Paul Waner is an extraordinary ball player in that he never has had the semblance of a bad season. His work in every respect has been of a consistently high order and he stands by seventh season in a three year run with every indication of keeping up his brilliant work of the past.

# FAST MARION NINE IN SUNDAY MEET

LOCALS WILL COMPETE WITH OTHER CITIES IN NORTH SIDE MEET

Findlay, Columbus, Mansfield Also Billed in 2-Game Tourney; Start at 1:30.

By Bob Kirkpatrick

Having succeeded in coping the honors in but one of the four week softball tournaments at Lincoln park so far this season Marion will put another all-star lineup in the field Sunday in an attempt to capture the laurels the second time. Columbus is the only city which has yet succeeded in coping two of the meets.

The usual four teams will take part in the tourney Sunday. Findlay, Columbus, Mansfield and Marion will be represented with the first game to start at 1:30 p. m. the other two following as rapidly as possible. Paul Rios and K. Johnson will again do the officiating.

In the Schulte Cigars Marion will place a team on the field this week that should put up a first class battle against most any opposition which the out of town combines can present. Gene Gunder one of the city's ace hitters, Shorty Richards of the St. Paul's Presbyterian and Roscoe Rank of the Central Christians make up the mound staff with possibly one more addition.

Wilson Catching

Hack Wilson of the Marion Steam Shovel team will be behind the plate John Gillis at first, Gene Gunder or Don McAninch at second, Mike Pohler at short and John Marshall at third compose the infield. Myron Gibson, Jimmy Lingo and either Richards or Gunder depending on who is pitching will form the outfield. The club packs a mean wallop at the plate and will play defensively with any team which has yet performed here on Sunday.

The A. J. Held Undertakers will uphold the prestige of Columbus. The Marionians have been going great guns in Columbus and are out to make it three victories for the Capital city here. Griffin, an other of those right hand speedball artists will do the flinging. Supporting him will be a classy bunch of ball players headed by Al Folg, ham at third, H. Parsons in center field, M. Cypers at second and C. Grady in left field.

Hendricks to Play

Findlay will come here with a team headed by Babe Hendricks, who may be better remembered as the variety basketball center at Ohio Wesleyan university. Hendricks played here however last season and is a classy outer gardener. The Findlay pitcher, Paul Meins has pitched two no-hit games this season and struck out 58 men in six games. Only one team has gathered more than four hits off his delivery.

The Mansfield News will try to duplicate the previous good performances of two other Mansfield sides which have appeared here with a team which is reputed to be a fast organization. Their lineup is not available.

The first game will be played at 1:30 p. m. between Columbus and Marion and Marion and Mansfield clashing in the second and the winners in the last start.

# THREE DEFAULT IN WOMEN'S TOURNEY

Three of the 16 women in the women's club tournament of the Marion O. Del golf club lost first round honors by default. Second round play is to be completed early next week.

First round results follow with the names of the winners in each match appearing first: Miss Lucille Hunt vs. Mrs. Helen Richardson 5 and 3; Mrs. S. P. Shrock vs. Miss Lisle Heller one up; Mrs. O. F. Bush vs. Miss Viola Peacock by default; Mrs. Paul Kline vs. Mrs. Bertha Moran 3 and 4; Mrs. M. Mohr vs. Mrs. L. E. Cookson one up; Mrs. O. E. Hamilton vs. Mrs. H. P. Greenfield by default; Mrs. O. M. With the Boston Braves beginning to show distinct signs of the crack that the experts have been predicting since early in the season the Phillies have become the current wonder team.

Although Boston took a severe pushing round during its home stand and has shown signs of improvement in two games since then the Braves still are second only two games behind the lead. The Phillies meanwhile have climbed from seventh place on June 17 to a good fourth today.

Since then they clouded out eight victories in eleven starts.

The Philadelphia starters rowed Dick Bartell, Chuck Klein and Don Hurst, led a 15 hit attack on the Mooney and Sam Gibson of the New York Giants yesterday to gain an 11 to 6 decision and keep Philadelphia only a half game behind Pittsburgh. Bartell and Klein made four hits apiece.

Hurst contributed his tenth home run and a single to drive home three tallies.

Pittsburgh blew a brief early lead over Cincinnati in a duel between Heinie Meine and Eppa Rixey and then won out in the seventh inning when Lloyd Waner floated a home run to make the final count 4 to 3.

Boston lost a full game to the Cubs and a half to the league leading Chicago Cubs when the Brooklyn Dodgers copped a 2 to 0 victory.

The Cubs and the St. Louis Cardinals had an open date as did the entire American league.

A pair of champions, Gene Sarazen (left) recent winner of the British Open championship and Billy Burke defender of his American National Open title are shown as they engaged in the traditional handshake before their opening match in the National Open tournament at Fresh Meadow 11 leading American golfers as well as several from abroad are taking part in the tournament.

# Hurst Replaces Waner at Head of National Batters

By The Associated Press

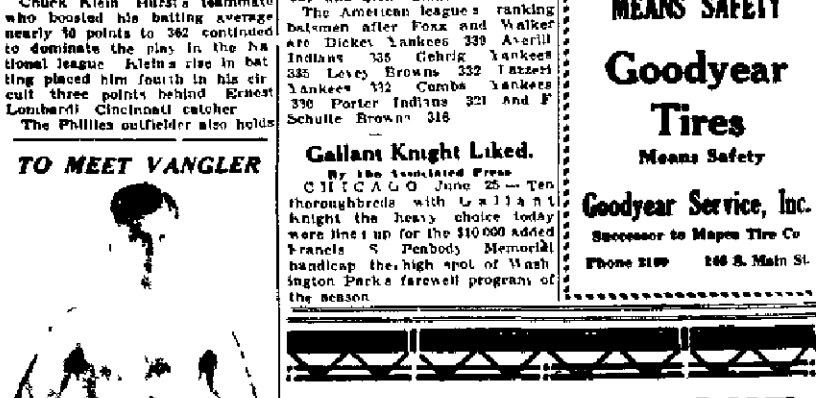

NEW YORK, June 25—A new batting leader in Don Hurst of the Phillies took command of the National league during the week but Jimmie Fox of the Athletics continued to set the pace in the American league.

While Hurst was tacking 10 points onto his average of last week to take the lead over Paul Waner of the Pirates with .375 Fox boosted his batting percent age to .382. Waner ended the week in a batting slump hitting .269. Gerald Walker of Detroit had the same average an increase of five points over his last week's mark.

Chuck Klein, Hurst's teammate who boosted his batting average nearly 10 points to .362 continued to dominate the play in the National league. Klein's rise in batting placed him fourth in his circuit three points behind Ernest Lombardi of Cincinnati catcher.

### TOOTS AND CASPER

COLONEL HOOVER IS NOT A DUCK, TOOTS!  
HE JUST TOLD ME SO! HE THOUGHT UP  
HIS LITTLE HOAX AS THE ONE SURE WAY TO  
STOP SOPHIE. FROM DIVORCING HIM AND HE  
INTENDED TO CONFESS TO HER AT THE  
RIGHT TIME, BUT IT'S GONE TOO FAR NOW!  
THE PAPERS GOT HOLD OF THE STORY AND YOU  
KNOW THE REST! HE'S  
THE GREATEST  
PROFESSOR OF MODERN  
THEATRE!

SOPHIE WILL BE STUNNED WHEN HE  
BREAKS THE NEWS TO HER, CASPER!  
I COULD FEEL SORRY FOR HER IF SHE  
HADN'T ACTED SO FOOLISH! WHY  
SINCE SHE THOUGHT SHE'S A DUCKNESS  
SHE'S BEEN LOVING IT OVER EVERY-  
BODY! TALK ABOUT PUTTING ON THE  
RITZ! SHE'S EVEN  
SHABBED HER  
LIFE-LONG  
FRIENDS!

I'M A DUCKNESS! A DUCKNESS!  
OH, I COULD NEVER STAND TO BE  
JUST A PLAIN NOBODY AGAIN!  
IT NAUSEATES ME TO THINK OF THE  
TRIBE WE USED TO  
ASSOCIATE WITH! UGH!  
WHY ARE YOU SO GLUM,  
YOUR  
HIGNESS?

SOPHIE THINKS SHE'S A  
DUCKNESS, BUT SHE AIN'T!  
I SHIVER TO THINK WHAT  
SHE'LL SAY WHEN I TELL  
HER THE TRUTH! I CAN'T  
DECIDE WHETHER TO TELL  
IT TO HER OR WRITE HER  
A LETTER!

POOR COL. HOOVER! IT SEEMS  
LIKE EVERYTIME HE USES HIS  
OWN IDEAS HE GETS INTO  
A LOT OF TROUBLE!

# HOW DELEGATES LINE UP ON EVE OF DEMOCRATIC CONVENTION

This graphic map shows at a glance the strength of the candidates for the Democratic nomination for the presidency. It will be noted that Governor Roosevelt, through an enormous, is drawing the bulk of his pledged votes from the West, Middle West and South. Garner defeated the New York governor in the California primaries, winning the support of the state delegation of 64. The Texas vote brings the speaker's pledged total to 66. Smith's great margin lies in Massachusetts, New Jersey, Rhode Island, Connecticut and somewhat in Pennsylvania, with the latter splitting the 76 votes 56 to Roosevelt and 20 to Smith. New York's unpledged vote of 14 will probably decide the fate of the Roosevelt candidacy; if the two-thirds rule prevails, 776 votes will be necessary for nomination.

## Court News of Adjoining Counties

**UNION COUNTY** MARYSVILLE, June 25.—Suit to recover \$188.21 has been filed in common pleas court by Anetia Worbe of near Dayton against the Ohio Mutual Tornado Cyclone and Windstorm Insurance association of Columbus. She claims damages to her barn on June 27, 1931 when it was hit by a cyclone. She says the company has refused to pay her.

Foreclosure of \$1800 mortgage has been ordered in the suit of W. Fred Conkright against Charles Patrick and others. The mortgage is on two tracts of land in Taylor township.

**MORROW COUNTY** MT. GILEAD, June 25.—Two foreclosure suits were filed Friday in common pleas court. The Union Joint Stock Land bank of Detroit names Burr Edwards and others as defendants in a suit in which the bank seeks full release of land in Huntington township. He sold to pay his claim of \$1441.44 allegedly due on a promissory note secured by mortgage.

Emmett I. Shaffer named Joseph O. Shaffer, Anna V. Shaffer and Elsie A. Green, treasurer of Morrow county, is defendant in a foreclosure action involving \$2 acres of land in Huntington township. Judgment for \$1275.70 is asked by the plaintiff.

Mrs. Edith Walker of Troy township has filed suit for divorce from Foster J. Palmer, alleging gross neglect of duty and cruelty. She asks custody of their minor children, alimony and a court order restraining Palmer from disposing of their jointly owned property.

## Richwood To Celebrate Centennial in August

**Special to The Star** RICHWOOD, June 25.—The one hundredth anniversary of the village of Richwood will be celebrated on Aug. 9, 10, 11 and 12 during the thirty-ninth annual Tri County fair. A committee has been appointed to make arrangements. In 1832 three families settled in Richwood. Philip Plummer who owned 1200 acres of land, John P. Brooks and Abraham Carey. Plummer was proprietor of Richwood and was also the first hotel there. He would not sell his land to any one who sold whiskey. The first cabin was built on the corner lot now owned by the Lake shiners. The Lake family has owned this property for 67 years. This cabin was built by John Brooks who was the first justice of the peace first physician and first postmaster. Abraham Carey was the first blacksmith there. Burdick and Cal toway conducted the first store. Their stock consisted of one load of goods bought from L. M. Heatings of Marysville. The store was not a success as money was very scarce. Eggs were three cents per dozen, old records show and no demand for them. Nearly everyone had a cow and there was no sale for butter. The village was surveyed and plotted by Thomas G. Plummer, deputy surveyor Aug. 8 and 10, 1832 and was a wilderness at that time. It received its name from the rich woods around it. In 1832 Richwood's population was 11 and for 30 years the growth was very small. In 1840 the population was 99. In 1870 it was 436 and in 1930 it had grown to 1317.

## CALEDONIA CLUB ENTERTAINS GUEST

CALEDONIA, June 25.—Mrs. Frank Hammond was a guest of the M. E. club yesterday afternoon when Mrs. E. O. Shaffer entertained. Awards in checkers were presented Mrs. Frank Hammond and Mrs. John Siskel. The club will meet in two weeks with Mrs. James Siskel.

## GALION LODGE TO DEDICATE NEW HALL

GALION, June 25.—Galion Lodge No. 203, Local Order of Moose, will dedicate its new hall at 1:30 p. m. Sunday. The lodge which was organized in 1910 has recently leased the third floor and the north half of the second floor of the Rottig building on South Market street.

Following the dedication the fourth district Ohio Moose association will meet in the lodge rooms. Dedication services are to be conducted by Supreme Lodge representatives Judge Roy H. Williams, A. J. Sandusky, supreme dictator, A. J. W. Wismann of Bucyrus, supreme past dictator, William Zurech of Norwalk, supreme vice dictator, Frank B. Ship of Mansfield, supreme prelate.

## LEESVILLE PASTOR, WIFE ARE HONORED

GALION, June 25.—The golden wedding anniversary of Rev. and Mrs. W. E. Steele of Leesville was celebrated today at the Grange hall in Leesville by Rev. Steele's two pastoratees, Leesville and Bible United Brethren churches.

Rev. J. H. Patterson, pastor of the United Brethren church at Galion and Rev. J. E. Shaffer of Sycamore were invited and were to make addresses. Rev. and Mrs. Steele came to Leesville last September from Wharton in Wyandott county.

## WEDDING ANNOUNCED

MT. GILEAD, June 25.—Mr. and Mrs. W. L. Lacey have announced the marriage of their daughter Evelyn to Garner B. Winegardner of Harrod. The marriage took place at Greenup Ky. March 29. They will make their home at Harrod.

Summer Series of Union Services Will Open at Reformed Church

The first of the summer union church services will be held Sunday at 8 p. m. at the First Reformed church. For the next succeeding 10 Sundays the up-town congregations will unite at one of the participating churches and hold services.

Rev. Howard L. Olewiler of the First Presbyterian church will deliver the first sermon. His subject will be "We are Responsible."

Rev. Robert W. Hucker pastor of the First Reformed church will preside Sunday night. He has selected the hymns and special music for the service and has arranged the order of worship.

Sunday night also will mark the first meeting of the City Young People's union. During the summer months the young people's societies of the churches combine their meetings at the church at which the union service is to be held.

The young people of the First Presbyterian church will be in charge of the service Sunday at 7 p. m. at the First Reformed church.

Pastors of the participating churches urged today that all members attend the union services which have been arranged by the Marion County Ministerial association.

# The Lord's Servants

A SERMONETTE BY REV. G. G. CAMPBELL

First Church of the Nazarenes

For we preach not ourselves but Christ Jesus the Lord and ourselves your servants for Jesus sake.—II Cor. 4:5

A SERVANT must do that which has been assigned him.

Paul, a servant of the Lord was engaged as every other servant of the Lord must be in establishing the church of Christ and maintaining it. Cost what it may the cost will not be too great when we consider the recompense of reward.

The church of Corinth had been established a couple of years or more when Paul upon the discharge of his duty as a servant told how the god of this world had blinded the eyes and minds of them which believe not which caused them who were well disposed to be humbled and profited by it but others who were otherwise were not humbled by the manifestation.

We His servants in these days wonder at the disrespect we are shown at the church at which we suppose as in the days of Paul and before those who are well disposed will be humbled and benefited by the hardships that are taking place in the lives of men these days. And by the counsel of the servants of God while the adversaries are being the more embittered by things that should be bringing them nearer to God.

It is a hard blow upon an enemy of the cause of Christ should we do something to do away with his business. But that is just what we as servants of Christ are trying to do. We desire to do it by giving the folks who want the best things of life a church and its standards which would naturally displace the unholy in Paul's day when he worked him Job the silver-smith who made shrines for Diana knew that their business would be affected and they began to fight against Paul and his Christ.

In these days when a money making scheme is more tempting for a livelihood it isn't any wonder that the participants would complain if their business were

coming to naught because of the religion of Christ displacing it.

Yet as as servants are convinced that this country would be better off if we were without the quackery of business. You might well ask what would you consider questionable? I am sure we can put it this way—All things that contribute toward man's highest good and that in connection with the church of our Christ seeking not his own good but the good of another could not be far from being approved as those things that the Master referred to when he said Seek first the Kingdom of God and His righteousness.

Now for the rest of that question. Who can see that we are in need of something that days? And who cannot see that the church and our Christ is being ignored? As a servant of Christ I should like to say that this world would be a lot better off if folks would turn more religiously to God and let Him have His way. If we continue to reject the church and folks know the advice of God's servants there will be worse than a famine for bread in a land of plenty but it will be a famine for the Word of God. Amos 8:11

In humility we His servants can't say. All things work together for good to them that love the Lord and by seeking His kingdom we can still say All needed things are added unto you.

If we were preaching our lives the world could rightly ignore us. But we preach Christ and that is not for me. I am against me and against Him that doth not confess before men him will I not confess before my Father which is in heaven.

Come let us reason together though your sins be as scarlet they shall be as white as snow. We may be troubled on every side yet not distressed—Persecuted but not forsaken—Cast down but not destroyed. We preach Christ Jesus the Lord.

# PLANS RETREAT FOR PASTORS

Dr. John F. Owen Will Be Here To Deliver Sermons at Tent Service.

A pastor's retreat will be held in Marion, beginning Sunday and continuing through Wednesday at the tent in the rear of 187 West Center street. Evangelist Dwight H. Ferguson, who has been conducting services for the last three weeks has arranged for the retreat and has secured Dr. John F. Owen of the Alabama Methodist conference to be the speaker.

For five years Dr. Owen was a member of the faculty of Taylor university at Upland Ind. and during that time received the honor degree of doctor of divinity from Ohio Northern university at Ada.

Three years ago he resigned his teaching position and moved with his family to Columbus where he resumed his full time ministry in the field of evangelism. With the last 15 months his two sons and a daughter were graduated from Ohio State university.

"No Other Dollar Buys as Much as the Dollar You  
Spend for Electric Service."

In August, Firestone Service Stores, Inc., located at 273-283 E. Center street will celebrate the second anniversary of its opening. This establishment, under the management of O. E. Bonnell, who is also president of the company, holds a position in the front rank of automotive service businesses in Marion. Calling the vigorous business policies advocated by Harvey Firestone Sr., head of the Firestone Tire & Rubber Co. of Akron, manufacturer of products sold by Mr. Bonnell's organization, the local concern has come rapidly to the forefront in the tire, accessory and service field.

**Complete Service**  
Mr. Bonnell describes his establishment as a complete department store for car service. An economy of time and money may be effected by all motorists by bringing their cars to a business place where "one stop does it all." To outline the extensive facilities of his business and to enable motorists to take the road with their cars in the best possible condition, relative to safety and efficiency of operation, Firestone Service Stores have arranged a "PREPAREDNESS TEST FOR SAFE DRIVING." Mr. Bonnell believes that many accidents and expensive repair jobs may be avoided if car owners will submit their cars to the rules of this test before starting on a vacation or Fourth of July trip. The questions and answers of the test follow:

- 1—Are your tires a hazard to safe driving? Let us inspect them and check their condition.
- 2—Will your brakes hold in an emergency? Our dynamic brake tester will answer this question.
- 3—Has your battery survived the winter in good condition? You may need water or an adjusted charging rate.
- 4—Is your ignition deficient or faulty? New spark plugs may correct hard starting or low mileage.
- 5—Is your car properly lubricated, the grease changed to summer grade? Our Firestone specialized lubrication system is your protection.
- 6—Does your car look its best for the holiday trip? Preserve the finish by a wash or a polish that's different.

Each of the items mentioned in the test can be entirely taken care of by the Firestone store. In addition, gasoline service with every convenience of the up-to-the-minute service station is available to the motorist patron.

**Exclusive Incentive**  
The brisk flurry in the retail tire business incidental to the new federal tax on tires and accessories is continuing unabated at the Fire-

stone Service Store despite the fact that the tax became effective June 21. The saving that was effected in stocking every available inch of room with surplus tires before the tax deadline is being passed on to the retail tire customer. Mr. Bonnell says that while he will sell tires TAX FREE just as long as possible, this opportunity for money-saving can last for a limited time only.

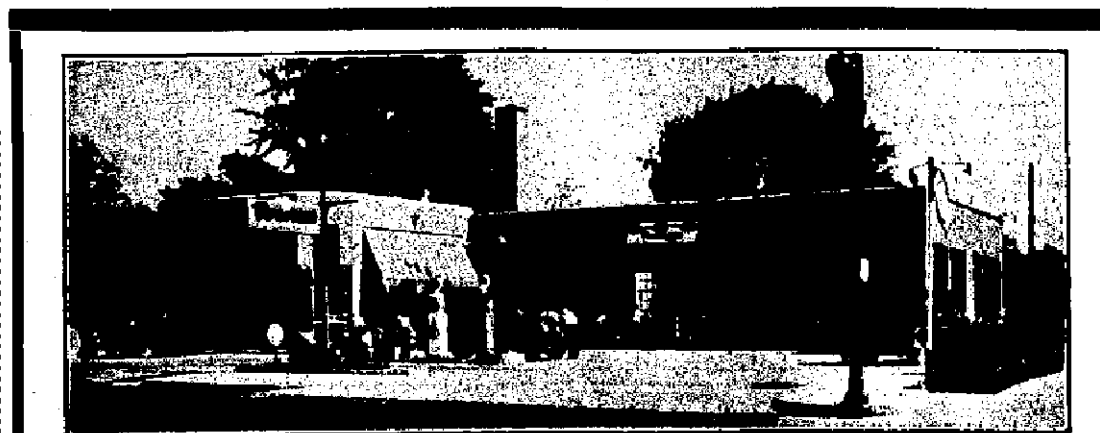

"Mr. and Mrs. Public" may do well to observe the familiar advertising claim that the Firestone gum dipped tire is "The Tire That Taught Thrift to Millions." Firestone tires from any standard of comparison are leaders in the industry today. Mr. Bonnell says: "Prices, a first hand consideration in any purchase today, are lower than ever before, for example, Firestone Oldfild type also 4.80-21 is priced at \$3.27 a tire when bought in pairs. (This is a tax-free price.) Firestone's construction features of course the exclusive gum-dipping process which transforms the cotton cord in the tire into strong, tough, strong units and the two extra gum-dipped piles under the tread which give 54 per cent stronger bond between tread and cord body. Each of such construction is the double guarantee. Firestone's name appears on every tire

manufactured by him, and each Firestone tire sold is backed by both Firestone Service Stores and the manufacturer.

**Tire Recall**  
The court of final decision with any tire is the service it renders and here again, Mr. Bonnell says, Firestone tires excel in clear cut fashion. For many years Firestone has furnished the tire equipment for the winners of the great Indianapolis auto racing classic while every day brings in testimony of Firestone's greatness from among the clientele of the Nation's concern who have found more than complete satisfaction with the Firestone tires on their passenger and commercial vehicles.

Firestone's manufacturing interests cover a large number of items. Those of which are sold locally by Firestone Service Stores, Inc., include: Firestone tires and tubes, Firestone batteries, Firestone brake lining, Firestone spark plugs, and dozens of Firestone accessories. Firestone Service Stores One-Stop Service for Motorists includes:

Tire service, brake testing and service, spark plug testing and service, battery service, washing, lubrication, top dressing, painting and nationally recognized brands of gasoline and oil.

are the acid test for any tire. Be trouble free—Replace that old set of tires with a new set of—Firestones—designed and perfected to resist internal friction and heat.

The new Firestone patented Gum-Dripping process adds to the life of the tire by transforming the cotton cords into a tough and highly resistable unit. By this process every cord and fiber is penetrated by liquid rubber.

Firestone has a patented construction involving the use of two extra cord piles under the tread, making a 56% stronger bond between cord, body and tread and a 26% greater protection against punctures and blowouts.

The rubber is thick and specially compounded for long and slow wear.

The tread is quiet, non-skidding and excels in safe performance.
